

14th April 2010

Dear Clients, Associates, Suppliers and Friends of Trades Monitor

We are excited to advise that the assets and undertakings of Trades Monitor have been acquired by Ebix Australia effective 1st April 2010.

A leading international supplier of On-Demand software and e-commerce services, Ebix, Inc., provides end to end business solutions. With more than 30 offices around the world Ebix is a global technology and services supplier. A publicly listed company, Ebix (NASDAQ: EBIX) was recently ranked by Fortune Magazine as the 4th fastest growing company in the world and the 2nd best investment in the world. With a significant presence in the Australian market, Ebix is focused on delivering a range of technology and business solutions.

All existing staff of Trades Monitor remain, including Sydney Steen and Marc Steen, therefore you should experience no change. Additionally all contact details (fax/phone/email/mail etc) remain in place. We believe this change can only improve the Trades Monitor offering as we now have access to a far larger pool of resources through Ebix including product development and customer service.

The only relevant changes that you should be aware of are our new Trading Name and ABN.

Trading Name: Ebix Trades Monitor
ABN: 70 061 035 167

Thank you for your ongoing support and if you wish to discuss in person, please contact Sydney Steen or Marc Steen on 1300 558 168.

Yours sincerely,

Marc Steen
Divisional Manager
