

# TRADES MONITOR

**Making Supplier and Contractor Compliance Easy**

Outsourcing the management of your contractor compliance can provide greater legal protection while reducing your overall cost.

Trades Monitor Provides 4 services to clients.

1. Compliance Monitoring  
(eg: Licences & Insurances)
2. OH&S Compliance
3. Online Inductions
4. Directory of Pre-Approved Contractors

Trades Monitor codes each contractor as compliant or non-compliant simplifying your decision making.

**Use the experts to save you  
time, cost and risk.**
